

# flypaper tutors

Are you frustrated watching your student adapt to distance learning? Do you feel like there's no one to answer their questions while they work through assignments? Do you wish there was a way to offer them moral support while they study?

## flypaper is here to help!

flypaper tutors, Inc. is a nonprofit corporation facilitating free, on-demand tutoring, connecting top university volunteer-tutors with underserved students. We provide students the academic mentorship they need, free of cost, after they log on to our website.

Our tutors are students who attend universities including Harvard, Columbia, UC Berkeley and Dartmouth. We all understand the need for one-on-one learning help, and this help is even more important during the COVID-19 pandemic. We understand the challenges facing underserved students and their parents during these extraordinary times.

Follow the steps below to access our hour-by-hour tutoring in many popular subjects for grades 6th-8th:
